To Whom It May Concern:

This letter is to affirm that Dvise Telecom Solutions is an authorized Cetis International Platinum Distributor Partner in good standing and has been for over 17 years. Channel partner relationships are very important to us and continue to represent an integral part of our global sales and marketing success.

As a certified partner of Cetis, manufacturer of Teledex, Telematrix and Scitec brand telephones, we look forward to realizing the tremendous mutual sales opportunities in the global analog and SIP phone markets, particularly in Canada, the Middle East and Africa. We look forward to continuing our excellent working relationship.

Sincerely,
